Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 Gender Warriors Reading Contemporary Urban Fantasy offers classroom-ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled. The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources focusing not only on popular examples such as Buffy the Vampire Slayer and Underworld but also on less studied works for instance Penny Dreadful and Anita Blake. The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms, inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions. The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre. This collection demonstrates the way that representations of gender and the kick-ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes, making it a fascinating text for any course such as first-year studies, literature, film, gender studies, sociology, cultural studies, history, and more.

Race in the Vampire Narrative, 2015-01-01 Race in the Vampire Narrative unpacks the vampire through a collection of classroom-ready original essays that explicitly connect this archetypal outsider to studies in race, ethnicity, and identity. Through essays about the first recorded vampire craze, television shows True Blood and Being Human, movies like Blade, Trinity, and Underworld, to the presentation of vampires of colour in romance novels, graphic novels, on stage, and beyond, this text will open doorways to discussions about Otherness in any setting, serving as an alternative way to explore marginality through a framework that welcomes all students into the conversation. Vampires began as terrors, nightmares, the most horrifying of creatures; now they are sparkly antiheroes more likely to kill your dog than drink you to
