werewolves choice of games werewolves csi werewolves card game app werewolves curse     The Wolf's Captive Rachel Medhurst, Our enemy finally broke us apart but not for long The alpha of the Crawley Pack may have ruined our lives and wedged an undeniable divide between Malone and I but I will do anything in my power to bring him back to me Even if that means binding my witch side and becoming a full werewolf In my quest to find a witch powerful enough to break my curse I inadvertently destroy my enemy and almost break myself I swore to bring Malone back to me and my efforts are rewarded when he swears to protect me always We will have the ceremony and finally be united This is the last book in The Witch s Pack series fated mates rejected mate werewolf romance werewolf shifter romance novels witches witch romance shifters paranormal romance     **The Alpha's Breeder** Tay T.,2020-01-29 Meet Eros Hall an Alpha who isn t arrogant domineering or egocentric and fall in love just as hard as our main character does After being kidnapped by a group of vengeful werewolves Emira finds herself in one hell of a situation First she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct Second her true soulmate is a powerful Alpha who is hell bent on keeping her And third to make matters worse she only has six moon cycles to be marked mated and pupped What does that even mean This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I m only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I m trying to figure out what kind of species the main character is Second of all I ve only read the first couple chapters and I m already hooked I m on the edge of my seat waiting impatiently to see what s going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can t wait to read more Charlotte Moore This is one of the best book I ve read before Reading this book will make you feel like you re on a emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn t turn out at all like I thought it would Tinkerbelle Leonhardt Too awesome LOVE this story soooooo much and I can t get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn t stop reading it Angel Agams It s hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what s going on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was

disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that s exactly what happened here I m usually not a fan of these kinds of werewolf stories where the mate doesn t have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It s sooo good It has a unique plot line that is not your everyday cliché werewolf novel The main character Emira is so funny and relatable And don t even get me started on Eros He s hot period It s different and I HIGHLY recommend it Kari
