Heller,2015-10-30 From the author of the best selling alternate histories **Gray Tide** in the East and **Tidal Effects** comes a unique look at the Civil War If the North Had Won the Civil War is two alternate history novels in one The modern story follows Stonewall Jackson Jack Sawyer a history

professor in the modern day Confederate States of America and his alternate history *If the North Had Won the Civil War* in a nation where publication of such a book is a criminal offense. The story gives the reader a look at a nightmarish Confederacy where any person with a drop of Black blood in his veins is denied basic human rights and confined to a Preserve. Interwoven with the adventures of Jack his fiancee Annabelle Parkins his friend and fellow history professor Buzz Hanson and his girlfriend the mulatto escort Lydia Starkwell is Jack's book. This is an alternate history of the Civil War written with the painstaking historical authenticity and attention to detail that Mr Heller's fans have come to expect. The characters in this book within a book are actual figures in the Civil War and the military tactics and strategies are based on those of the historical war. The fiction is followed by a lively and informative factual discussion of the Civil War and a bibliographic essay. Among the legions of Civil War fans lovers of military history and alternate history geeks this book will undoubtedly spark debate and controversy and for those who know little or nothing about the subject it will provide a lively and thought provoking introduction to what is arguably the most important event in American history one whose echoes continue to effect the shape of this nation today.

Rising Sun Robert Conroy, 2012-12-15

It is the summer of 1942 and what our historians have called the Incredible Victory in the Battle of Midway has become a horrendous disaster in this world. Two of America's handful of carriers in the Pacific have blundered into a Japanese submarine picket line and have been sunk while a third is destroyed the next day. The United States has only one carrier remaining in the Pacific against nine Japanese while the ragtag remnants of U.S. battleships – an armada still reeling from the defeat at Pearl Harbor – are in even worse shape. Now the Pacific belongs to the Japanese. And it doesn't stop there as Japan has thrust her sword in to the hilt. Alaska is invaded. Hawaii is under blockade. The Panama Canal is nearly plugged. Worst of all the West Coast of America is ripe for destruction as bombers of the Empire of the Sun bombard west coast American cities at will. Despite these disasters the U.S. begins to fight back. Limited counterattacks are made and a grand plan is put forth to lure the Japanese into an ambush that could restore the balance in the Pacific and give the forces of freedom a fighting chance once more. At the publisher's request this title is sold without DRM Digital Rights Management.
