becoming an entrepreneur has no limits. The entrepreneur is not limited by traditional education and experience, but seeks to change the way they adapt to new and different plans. And you don't necessarily need lots of a college degree or business experience to be an entrepreneur. Making bold moves to leave your day job means understanding the needs of the market differently to take advantage of opportunities that have grown over time. After all, their dreams don't really exist. Others feel the need to start their own business to fulfill their dreams and motivations.
