Prospector From University Of Mpumalanga

Gail Nattrass

Prospector From University Of Mpumalanga:

Rainbow Nation My Zulu Arse Sihle Khumalo, 2018-10-12 After exploring more than twenty other African nations using only public transport Sihle Khumalo this time roams within the borders of his own country The familiarity of his own car is a luxury but what he finds on his journey through South Africa ranges from the puzzling to the downright bizarre Voyaging from the northernmost part of South Africa right to the south the author noses his car down freeways and back roads into small towns townships and villages some of which you ll have trouble finding on a map But this is no cliché description of beautiful landscapes and blue skies Khumalo is out to investigate the state of the nation from its highest successes to its most depressing failures Whether or not he is baffled surprised or sometimes plain angry Sihle Khumalo will always find warmth in his fellow South Africans security guards religious visionaries drunks political activists and the many other colourful personalities that come alive in his riveting account

A Short History of South Africa Gail Nattrass, 2017-11-16 South Africa is popularly perceived as the most influential nation in Africa a gateway to an entire continent for finance trade and politics and a crucial mediator in its neighbours affairs On the other hand post Apartheid dreams of progress and reform have in part collapsed into a morass of corruption unemployment and criminal violence A Short History of South Africa is a brief general account of the history of this most complicated and fascinating country from the first evidence of hominid existence to the wars of the 18th 19th and 20th centuries that led to the establishment of modern South Africa the horrors of Apartheid and the optimism following its collapse as well as the prospects and challenges for the future This readable and thorough account illustrated with maps and photographs is the culmination of a lifetime of researching and teaching the broad spectrum of South African history Nattrass's passion for her subject shines through whether she is elucidating the reader on early humans in the cradle of humankind or describing the tumultuous twentieth century processes that shaped the democracy that is South Africa today

South Africa Michael Brett, 1999 This guide to South Africa highlights information on game reserves sports wildlife and beaches There is also a survival guide which shows you how to use local currency public transport and telephones Organized district by district with a systematic thematic approach this book provides information on sights in each area and features in each major sight to help you know what to look out for and how to make the most of your time
