Psychiatrie Légale Et Criminologie Clinique:

Psychiatrie légale et criminologie clinique Jean-Louis Senon, Carol JONAS, Mélanie Voyer, 2013-10-22 Depuis toujours psychiatrie et droit comme santé et justice sont la recherche d'un difficile équilibre pour mieux soigner et protéger toute personne souffrant de troubles mentaux. Aussi avec la naissance de la clinique dans le sillage du Traité médico-philosophique sur l'aliénation mentale de Pinel les aliénistes ont accordé une place centrale à la clinique médicale pour reconnaître le malade au-delà du trouble du comportement et lui apporter les soins indispensables. Cet ouvrage offre une place particulière à la protection de la personne malade et aux soins sans consentement prévus par la loi du 5 juillet 2011 et reformée en 2013. Dans une première partie de psychiatrie légale après avoir traité de l'organisation des soins en psychiatrie et de la législation hospitalière il aborde la responsabilité médicale, le droit des patients, la rédaction des certificats et les différentes formes d'expertise en psychiatrie au niveau pratique. En outre depuis les années 1980 la pratique des équipes de psychiatrie s'intéresse particulièrement à la clinique du passage à l'acte et à la victimologie. Ainsi la seconde partie consacre la criminologie clinique, s'applique à définir les notions essentielles du droit pénal puis les aspects cliniques : agression, dangerosité, violences, homicides, victimologie. Destinée aux psychiatres et aux psychologues, cet ouvrage ne se cantonne pas aux cliniciens ou aux experts et peut être utile à tous les professionnels confrontés à la maltraitance, aux violences conjugales et familiales ou encore aux agressions sexuelles.

Psychiatrie et criminologie Edward Périvier, 1984 *Manuel de psychiatrie légale et de criminologie clinique* Jacques Leyrie, 1977 **Manuel de Psychiatrie légale et criminologie clinique** Jacques Leyre, 1980 *Manuel de la psychiatrie légale et de criminologie clinique*, 1977
