Studies have shown that customers are more likely to remember a negative customer experience than a positive one so it's important that you know how to turn around any negative experience your customer had with your product or organization. This book will give you the best tips and ideas on how to provide the best customer service to your customers. You will discover how to understand or think like your customers so you always know how to handle them. You will learn various techniques on how to deal and manage difficult customers. You will learn different ways on how to provide support and care for your customers. In this book the following topics will be discussed: The Power of Customer Service, Types of Difficult Customers, Dealing With Difficult Customers. It is said that customer service is what ultimately makes or breaks any company because no matter how great your product is if you can't provide quality customer service when the going gets tough, customers can easily find another great product to replace yours. And don't underestimate the power of word of mouth. If you want to learn more about the best strategies on how to provide excellent customer service scroll up and click add to cart now.

**Excellent Customer Service** Yan Sabiduria, 2019-05-18. Your people can be your greatest asset or biggest liability. Businesses can spend thousands of dollars on marketing ads, endorsers, improve their process, product development but without a good team to execute the plan without good leaders to guide them and relevant skills to back it up, failure is inevitable. We all know that customers' impression of your business doesn't just depend on the product but the people who initiate the service or process. The success of the business also depends heavily on how well your team generates a positive impact which produces positive and relevant results. This part of the book provides tips, ideas, and insights about customer service skills, leadership, and create a highly effective organization. This will also improve the leadership skills needed to help you manage your team and in order to increase the chance of success. If you are ready to become a highly effective leader, improve your team's performance and increase your chance of success, you definitely don't want to miss this Part I of the book.
