## **Psychiatry Review And Canadian Certification Exam Preparation Guide:**

**Psychiatry Review and Canadian Certification Exam Preparation Guide** James A. Bourgeois, Usha Parthasarathi, Ana Hategan, 2012-03-08 Psychiatry Review and Canadian Certification Exam Preparation Guide is the first exam preparation text intended specifically for candidates taking the Royal College of Physicians and Surgeons of Canada RCPSC psychiatry examination This concise single volume review contains Canadian specific content so that readers need not modify other sources but may rely on it as their primary source of preparation The volume is based on The American Psychiatric Publishing Board Review Guide for Psychiatry and cites only validated sources used in other APP books so candidates can be assured of its content integrity It has been fully updated and it includes a multitude of features that will appeal to harried candidates The information presented is consistent with Canadian psychiatry practice References have been drawn from the Canadian psychiatric literature and laboratory units medication names and doses and the language employed are consistent with Canadian medicine and psychiatry The volume is organized according to familiar DSM IV classifications allowing readers to quickly locate the most appropriate chapter It does not neglect foundational knowledge however offering complete coverage of basic neuroanatomy as well as more advanced topics such as neuroimaging psychopharmacology and the cultural and legal aspects of psychiatric illness Quick reference tables summarizing diagnostic criteria for specific psychiatric disorders and other critical information are especially useful and abundant and A rigorous 200 question practice exam and answer guide provide a reality check for prospective exam takers The exam s structure reflects the actual board examination with question topics commingled and candidates seeking additional questions and annotated answers to enhance their preparation are referred to additional online self assessments The Psychiatry Review and Canadian Certification Exam Preparation Guide represents the best of psychiatric scholarship combined with insight into the RCPSC psychiatry exam and a keen eye for presenting the necessary information in a logical easy to remember manner This one stop resource is destined to become candidates constant companion in the months leading up to the exam and after

**Psychiatry Review and Canadian Certification Exam Preparation Guide** James Bourgeois, Usha Parthasarathi, Ana Hategan, 2012 The first comprehensive psychiatry review textbook designed expressly for the Canadian market Psychiatry Review and Canadian Certification Exam Preparation Guide is the resource residents and psychiatrists need to master the qualifying examinations in psychiatry of the Royal College of Physicians and Surgeons of Canada These exams are required for certification both for graduating residents and most foreign trained psychiatrists seeking to practice in Canada This new volume based on The American Psychiatric Publishing Board Review Guide for Psychiatry has been carefully edited to include only material relevant to the Canadian exam References have been taken from both the U S and Canadian psychiatric literature and laboratory units medication names and doses and the language used have been edited to be consistent with Canadian psychiatry The volume takes the reader from the basic sciences comprising the foundation of psychiatry through

the psychiatric interview and other diagnostic topics to syndrome specific chapters paralleling DSM IV TR and finally to current treatment options Rounding out the review is a 200 question practice exam that reflects the structure of the actual board examinations Although no substitute for quality medical and residency training Psychiatry Review and Canadian Certification Exam Preparation Guide will help the prospective exam taker ameliorate weaknesses and enhance strengths in preparation for a successful exam experience **Psychiatry Review for Canadian Doctors** Kuppuswami Shivakumar,2014 Prepare for the psychiatry certification exam offered by the Royal College of Physicians and Surgeons of Canada Psychiatry Review includes 200 multiple choice questions and answers that will get you ready for the written component and 20 OSCE case scenarios and case notes will help you practise for the oral exam Unlike most guides on the market which are adapted from US sources Psychiatry Review was written exclusively with the needs of Canadian residents studying for the RCPSC psychiatry exam in mind It can also be used as a supplementary resource for those studying for exams offered by the American Board of Psychiatry and Neurology and the Royal College of Psychiatrists UK **Psychopathology** Kenneth Carter,2022-12-22 Accessible and comprehensive this textbook portrays the real people behind the DSM 5 criteria the theories and the research **Psychiatry Review for Canadian Doctors** K. Shivakumar,2014-12-09 Reinforce the knowledge skills and confidence you need to excel in your certification exams Ensure you re ready for the psychiatry certification exams both written and oral offered by the Royal College of Physicians and Surgeons of Canada Psychiatry Review for Canadian Doctors is the only guide written specifically for the needs of residents studying for the RCPSC psychiatry exams Psychiatry Review for Canadian Doctors also offers robust extra preparation for other exams including the psychiatry resident in training exam and certification exams in the United States the United Kingdom Australia and New Zealand Features four practice multiple choice exams 200 questions total and 20 OSCE scenarios Covers all the main topics and question formats you ll find on the exams Provides answer keys with detailed explanations and list of references for follow up *Appleton & Lange's Review for the USMLE Step 2* Robin J. O. Catlin,1996 *Resident & Staff Physician* ,1990 **Resident and Staff Physician** ,1989 **Certification and Accreditation Programs Directory** Michael A. Paré,1996 Providing detailed profiles on certification and accreditation programmes in the US this book includes information on certification and accreditation programmes that denote skill level professionalism accomplishment and excellence **International Books in Print** ,1987 **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Subject Guide to Books in Print** ,1991 **The American Psychiatric Publishing Board Review Guide for Psychiatry** Philip R. Muskin,Anna L. Dickerman,2016-04-13 Psychiatrists and residents are faced with the important but what may feel overwhelming task of refreshing their knowledge of the whole of psychiatric practice typically while remaining engaged in full time clinical activity Psychiatrists will find the logical structure substantive questions and thorough explanations provided by the Study Guide for the Psychiatry Board Examination to be as reassuring as they are

educational Although readers are advised to consult a range of resources in preparation for the examination this guide is indispensable It is the first and only guide to reflect the revisions contained in DSM 5 and it will ably assume a primary role in the study and review process The guide is designed for maximum usefulness with specific features and attributes to support knowledge recall and successful examination performance The authors are from a cross section of accomplished students fellows and junior and senior faculty all of whom have faced or will face the board examination and who understand its importance to the profession Topics were determined by the American Board of Psychiatry and Neurology Certification Examination in Psychiatry 2015 Content Blueprint The approximately 400 questions were formulated from information extracted from widely available American Psychiatric Publishing textbooks and accurately reflect the accepted psychiatric knowledge base Each multiple choice question is followed by an explanation of why the correct answer is correct and the others are incorrect and every question and explanation is referenced directing the reader to the primary material for more in depth learning and study The volume was designed as a study guide for both the initial psychiatry board examination and the recertification examination The process of working through the study guide will allow the reader to identify areas of strength and weakness initiate further study and test and retest knowledge ultimately preparing for the examination s rigors Only the Study Guide for the Psychiatry Board Examination offers support for the new DSM 5 compatible examination and that alone renders it essential
