 Moving Objects With Your Mind Is Possible For very many years Telekinesis has been faced with a lot of mockery and
 skepticism Quite often individuals never let such tricks and ideas get into their mind due to the fact that they have never
 seen people doing them Although this is the fact a number of people still believe in Telekinesis even if no science has been
 done to prove it This guide has been created in a step by step procedure to guide you as a beginner in Telekinesis If you have
 mind and understanding you will find it suiting you very well This guide has been broken down to three phases *To Stretch*
