Self-reliance Ralph Waldo Emerson,2014-03-27 Every great man is a unique R W Emerson told us that Self confidence is always about independence What I must do is all that concerns me not what the people think This rule equally arduous in actual and in intellectual life may serve for the whole distinction between greatness and meanness It is the harder because you will always find those who think they know what is your duty better than you know it It is easy in the world to live after the world s opinion it is easy in solitude to live after our own but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude Self-reliance and Other Essays Ralph Waldo Emerson,2010-06-11 A
