Nazi Germany And The Arab World:

    Nazi Germany and the Arab World Francis R. Nicosia,2014 This book considers the evolving strategic interests and foreign policy intent of the Third Reich toward the Arabic speaking world from Hitler s assumption of power in January 1933 to 1944 a year following the final Axis defeat in and expulsion from North Africa in May 1943 It does so within the context of two central interconnected issues in the larger history of National Socialism and the Third Reich namely Nazi geopolitical interests and ambitions and the regime s racial ideology and policy This book defines the relatively limited geopolitical interests of Nazi Germany in the Middle East and North Africa within the context of its relationships with the other European great powers and its policies with regard to the Arabs and Jews who lived in those areas   **Nazi Propaganda for the Arab World** Jeffrey Herf,2009-11-30 Jeffrey Herf a leading scholar in the field offers the most extensive examination to date of Nazi propaganda activities targeting Arabs and Muslims in the Middle East during World War II and the Holocaust He draws extensively on previously unused and little known archival resources including the shocking transcriptions of the Axis Broadcasts in Arabic radio programs which convey a strongly anti Semitic message Herf explores the intellectual political and cultural context in which German and European radical anti Semitism was found to resonate with similar views rooted in a selective appropriation of the traditions of Islam Pro Nazi Arab exiles in wartime Berlin including Haj el Husseini and Rashid el Kilani collaborated with the Nazis in constructing their Middle East propaganda campaign By integrating the political and military history of the war in the Middle East with the intellectual and cultural dimensions of the propagandistic diffusion of Nazi ideology Herf offers the most thorough examination to date of this important chapter in the history of World War II Importantly he also shows how the anti Semitism promoted by the Nazi propaganda effort contributed to the anti Semitism exhibited by adherents of radical forms of Islam in the Middle East today   **Nazi Germany and the Arab World** Francis R. Nicosia,2015 This book investigates the intent and policy of Nazi Germany in the Arab world from 1933 to 1944 It analyzes Germany s support for continued European domination of the Arab states of North Africa and the Middle East and Germany s rejection of truly sovereign Arab states in those regions   Nazism, the Holocaust, and the Middle East Francis R. Nicosia,Boğaç A. Ergene,2018-01-31 Given their geographical separation from Europe ethno religious and cultural diversity and subordinate status within the Nazi racial hierarchy Middle Eastern societies were both hospitable as well as hostile to National Socialist ideology during the 1930s and 1940s By focusing on Arab and Turkish reactions to German anti Semitism and the persecution and mass murder of European Jews during this period this expansive collection surveys the institutional and popular reception of Nazism in the Middle East and North Africa It provides nuanced and scholarly yet accessible case studies of the ways in which nationalism Islam anti Semitism and colonialism intertwined all while sensitive to the region s political cultural and religious complexities   **Nazis, Islamists, and the Making of the Modern Middle East** Barry Rubin,Wolfgang G. Schwanitz,2014-02-25 A groundbreaking account of the Nazi Islamist alliance that changed

the course of World War II and influences the Arab world to this day   The Mufti of Jerusalem and the Nazis Klaus Gensicke,2015-07-23 Amin al Husaini is undeniably one of the key figures of the 20th century He was the religious head of the Palestinian Muslims for 16 years their political leader for 30 years and for a time he was the most important representative of the Arab world Now available in paperback this book examines the time that Amin al Husaini spent in Nazi Germany from 1941 to 1945 It looks at what the Mufti was hoping to gain politically and ideologically while he was there The book is directed primarily at the four years which the Mufti of Jerusalem with his staff of some 60 persons and a secret service of his own spent in Berlin as a guest and at the expense of the Third Reich Although seen as only a four year period of time even today this period continues to poison the Israeli Arab relationship Al Husaini cooperated eagerly with the Nazis to prevent Jews emigrating from Europe to Palestine Aware of what was happening he wanted to see the Jews destroyed He also expected a high position for himself in the Arab world after the Nazis had won World War II Germany s enemies became his enemies and he waged a campaign of hate against the British and the Americans who were he claimed pawns of the Jews This began the path towards anti Americanism and the struggle against Western depravity in the name of Islam The book shows how Amin al Husaini used murder terrorism intrigue extortion and the abuse of religion to obtain his goals His broadcasts to the Muslims in North Africa during World War II were appeals for martyrdom in order to help the Germans as that would guarantee Paradise After the war he continued to act in precisely the same manner His greed for wealth hunger for power despotism ruthlessness and intransigence were all factors that brought disaster upon his people and have unfortunately set a standard that remains valid in Palestinian politics today It is to be desired that politicians and journalists read this book in which based on German primary source files Klaus Gensicke proves that Haj Muhammad Amin al Husaini Mufti of Jerusalem since 1921 participated in the murder of European Jews and his anti Semitism contributed to the outbreak of the futile war against Israel in 1948 Karl Pfeifer The study is well documented clearly written and adds much hitherto unknown information on the Mufti s close collaboration with Fascist Italy and especially Nazi Germany Jewish Book World Fall 5771 2011 Librarians ebook available on ProQuest and EBSCO Subject History Middle East Studies Palestinian Studies Islamic Studies Politics International Relations   *Arab Responses to Fascism and Nazism* Israel Gershoni,2014-07-15 The first book to present an analysis of Arab response to fascism and Nazism from the perspectives of both individual countries and the Arab world at large this collection problematizes and ultimately deconstructs the established narratives that assume most Arabs supported fascism and Nazism leading up to and during World War II Using new source materials taken largely from Arab memoirs archives and print media the articles reexamine Egyptian Syrian Lebanese Palestinian and Iraqi responses in the 1930s and throughout the war While acknowledging the individuals forces and organizations that did support and collaborate with Nazi Germany and fascist Italy Arab Responses to Fascism and Nazism focuses on the many other Arab voices that identified with Britain and France and with the Allied cause during the war The authors argue that

many groups within Arab societies elites and non elites governing forces and civilians rejected Nazism and fascism as totalitarian racist and most important as new more oppressive forms of European imperialism The essays in this volume argue that in contrast to prevailing beliefs that Arabs were de facto supporters of Italy and Germany since the enemy of my enemy is my friend mainstream Arab forces and currents opposed the Axis powers and supported the Allies during the war They played a significant role in the battles for control over the Middle East   Islam and Nazi Germany's War David Motadel,2014-11-30 With troops fighting in regions populated by Muslims from the Sahara to the Caucasus Nazi officials saw Islam as a powerful force with the same enemies as Germany the British Empire the Soviet Union and the Jews David Motadel provides the first comprehensive account of Berlin s ambitious attempts to build an alliance with the Islamic world

The Arab World Ayad Al-Qazzaz,Ruth Afifi,Audrey Shabbas,1978 The handbook contains three parts Part I is an original survey of 24 elementary and secondary California textbooks in relation to the Arab world part II has fourteen essays on subjects most frequently distorted or omitted in the textbooks surveyed part III contains reprints of articles and items which teachers may reproduce for class use In addition the appendices provide sources of materials and information   **The Arab World** ,1968   **Prevent World War III.** ,1950   **Political and Diplomatic History of the Arab World, 1900-1967: 1900-41** Menahem Mansoor,1972   The Enemy of My Enemy George Michael,2006 In the violent world of radical extremists the enemy of my enemy is my friend This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups   **Israel and the Arab World** Aharon Cohen,1976   **Europe Leaves the Middle East, 1936-1954** Howard Morley Sachar,1974   **The Arab World** Peter Mansfield,1976 Recounts the political and social history of the Arabs from their nomadic beginnings nearly thirty five centuries ago to the present and profiles the concerns and goals of individual Arab nations   **Jihad and Jew-hatred** Matthias Küntzel,2007   The Arabs and the Holocaust Gilbert Achcar,2010-04-13 An unprecedented and judicious examination of what the Holocaust means and doesn t mean in the Arab world one of the most explosive subjects of our time There is no more inflammatory topic than the Arabs and the Holocaust the phrase alone can occasion outrage The terrain is dense with ugly claims and counterclaims one side is charged with Holocaust denial the other with exploiting a tragedy while denying the tragedies of others In this pathbreaking book political scientist Gilbert Achcar explores these conflicting narratives and considers their role in today s Middle East dispute He analyzes the various Arab responses to Nazism from the earliest intimations of the genocide through the creation of Israel and the destruction of Palestine and up to our own time critically assessing the political and historical context for these responses Finally he challenges distortions of the historical record while making no concessions to anti Semitism or Holocaust denial Valid criticism of the other Achcar insists must go hand in hand with criticism of oneself Drawing on previously unseen sources in multiple languages Achcar offers a unique mapping of the Arab world in the

process defusing an international propaganda war that has become a major stumbling block in the path of Arab Western understanding   **Political and Diplomatic History of the Arab World, 1900-1967: Biographical dictionary** Menahem Mansoor,1972   **Politics of the Modern Arab World** Laleh Khalili,2009 Covers the Arab world from Morocco to the borders of Iran with the focus primarily on the 20th Century By choosing a wide array of authors many of whom are from the region or from the non Anglophone world the full breadth of worldwide scholarship on the modern Arab world is on display
