Opium Tuan Charlie T:

War Cries Over Avenue C Jerome Charyn, 1986 *Livres hebdo*, 1989 **Chinatown Charlie, the Opium Fiend**
John P. Ritter, 1906 **The Opium Poppy and Other Poppies** Charles C. FULTON, United States. Bureau of
Narcotics, 1944 **The Chest of Opium. (Chinese Horror)** Mr. M---, Charles W. Mason, 1896 **Opium** Frederick
Charles Danvers, 1882 Opium, The Opium Habit Charles Warrington Earle, 1880 *The Opium Must Go Through*
Charles Potts, 1973 The Use and Abuse of Opium Charles Henry BRENT (successively Bishop of the Philippine Islands and
of Western New York.), 1910 **The Truth about Opium Smoking** Benjamin Broomhall, 1882 The Truth about Opium:
Being a Refutation of the Fallacies of the Anti-Opium Society and a Defence of the Indo-China Opium Trade William H.
Brereton, 2020-09-28 The object of these lectures is to tell you what I know about opium smoking in China a very important
subject involving the retention or loss of more than seven millions sterling to the revenue of India and what is far more
precious the character and reputation of this great country With respect to the former I would simply observe that I do not
intend to deal with the question on mere grounds of expediency strong as such grounds unquestionably are for if I believed
that one half of what is asserted by the Anglo Oriental Society for the Suppression of the Opium Trade as to the alleged
baneful effects of opium smoking upon the Chinese were true I should be the first to raise my humble voice against the traffic
even though it involved the loss not of seven millions sterling but of seventy times seven But it is because I know that these
statements and all the grave charges made by the supporters of that society and repeated from day to day against the
Government of India and the Government of this country and also against the British merchants of China to be not only gross
exaggerations but absolutely untrue mere shadowy figments phantasies and delusions that I come forward to draw aside the
curtain and show you that behind these charges there is no substance Were my knowledge of the opium question derived
merely from books and pamphlets articles in the newspapers and ordinary gossip I would not venture to trespass upon your
time and attention because in that respect you have at your disposal the same means of information as I have myself But I
come before you with considerable personal experience and special knowledge of the subject having lived and practised as a
solicitor for nearly fifteen years in Hong Kong where I had daily experience not only of the custom and effects of opium
smoking but also of the trade in opium in both its crude and prepared state I had there the honour of being solicitor to the
leading British and other foreign firms as well as to the Chinese from the wealthy merchant to the humble coolie so that
during the whole of that period down to the present time I have had intimate relations in China with foreigners and natives
especially with those engaged in the opium trade Under these circumstances I had daily intercourse with the people from
whom the best and most trustworthy information on the subject of opium and opium smoking could be obtained and my
experience is that opium smoking as practised by the Chinese is perfectly innocuous This is a fact so patent that it forces
itself upon the attention of every intelligent resident in China who has given ordinary attention to the subject **The**

Mysteries of Opium John Jones,1701 **Opium Culture** Peter Lee,2006 In *Opium Culture* Peter Lee presents a fascinating narrative that covers every aspect of the art and craft of opium use The text is studded with gems of long forgotten opium arcana dispelling many of the persistent myths about opium and its users and includes information on the suppression of opium by the modern pharmaceutical industry **Opium** Jean Cocteau,1957 [The Truth about Opium](#) William H. Brereton,1882 **Hashish, Wine, Opium** Charles Baudelaire,2019-07-07 Among the earliest artistic accounts of the hallucinogenic experience in European literature the four pieces in this volume document Gautier and Baudelaire s own involvement in the Club of Assassins who met under the auspices of Dr Moreau to investigate the psychological and mind enhancing effects of hashish wine and opium As well as providing an absorbing of nineteenth century drug use *Hashish Wine Opium* captures the spirit of French Romanticism in its struggle to free the mind from the shackles of the humdrum and the conventional and serves as a fascinating prologue to the psychedelic literature of the following centuries **The Opium Habit** Horace B. Day,1868 [Opium](#) Falconer,1994 *Experience of an Opium Eater During the Withdrawal of the Drug* Charles Hamilton Hughes,1883
