The Most Effective Way to Master the 200 Sight Words Essential to your Child s Reading Writing Success From the trusted name in children s education worldwide comes the biggest and most comprehensive sight word learning and practice workbook Once your child has mastered these key words they will Read far more fluently Write with greater ease Spell with increased accuracy Boost reading comprehension Accelerate language learning Why Your Child MUST Master Sight Words Sight words are a set of words that constantly appear on almost any page of writing such as who does come we They are the building blocks of written language However many sight words cannot be sounded out because they do not follow the standard rules of spelling The child has to memorize sight words as a whole by sight so that they recognize them immediately without having to decode the spelling The problem is that minimal instruction is given by teachers and parents Often little more is done than showing the word to the child and telling them what it is However for many children this is not nearly enough As a result their reading and comprehension of these crucial words is lacking which significantly brings down their overall reading ability Scholdener s Sight Word Workbook is the solution A Multi Dimensional Approach Educational research has shown that the best technique for learning sight words is accurate writing and spelling of the word comprehension of its use in a simple sentence and a visual representation of the phrase to reinforce how the word is used in context Scholdener s Sight Word Workbook is the only workbook that uses this multi dimensional model for each and every one of its 200 words This ensures that the child really grasps the sight word along with its spelling meaning and usage In teaching terms giving your child the opportunity to learn words in proper context is known as meaningful reading This is an extremely effective tool that has been shown to be far superior for retention than plain memorization or rote learning Includes Dolche Word List Educator Dr Edward William Dolch developed the Dolch Sight Words List by studying the most frequently occurring words in children s books These words comprise a staggering 80% of the words you would find in a standard children s book Once a
