Handbook of Political Violence and Children Charles W. Greenbaum, Mohammed Haj Yahia, Carolyn Hamilton, 2021 Political violence has disrupted the lives of millions of children around the world Responding to the gravity and scale of this phenomenon this volume is intended to stimulate discussion and research on children's exposure to political violence and its psycho social effects It brings together for the first time in a single volume three areas of scientific activity in different

disciplines research on effects programs for intervention and laws and policy for prevention of political violence to children Section I presents reviews of research on children exposed to political violence including child soldiers and refugee children as well as an examination of methodology and ethics Section II contains research on interventions with children exposed to political violence including individual therapy and school family and community interventions Section III covers legal and social issues in deterring the recruitment of children to violent causes and protecting children in armed conflict Pulling together the work of leading scholars and practitioners in the social sciences and international law this volume argues that the prevention of political violence to children is possible and it provides a crucial basis for ideas for prevention

The Trouble with Snack Time Jennifer Patico, 2020-08-18 Uncovers the class and race dimensions of the cupcake wars In the wake of school lunch reform debates heated classroom cupcake wars and concerns over childhood obesity the diet of American children has become a crisis and the cause of much anxiety among parents Many food conscious parents are well educated progressive and white and while they may explicitly value race and class diversity they also worry about less educated or less well off parents offering their children food that is unhealthy Jennifer Patico embedded herself in an urban Atlanta charter school community spending time at school events after school meetings school lunchrooms and private homes Drawing on interviews and ethnographic observation she details the dilemma for parents stuck between a commitment to social inclusion and a desire for control of their children s eating Ultimately Patico argues that the attitudes of middle class parents toward food reflect an underlying neoliberal capitalist ethic in which their need to cultivate proper food consumption for their children can actually work to reinforce class privilege and exclusion Listening closely to adults and children s food concerns The Trouble with Snack Time explores those unintended effects and suggests how the crisis of children s food might be reimagined toward different ends
