Entrepreneurship is not intuitive In fact far more businesses fail than succeed It doesn't need to be this way There are many avoidable mistakes Each time you go through the journey of starting and growing a business you learn more Imagine having many of those lessons at your fingertips now at the beginning of your journey This book will help you answer the important questions about yourself and your business that you will need to know The questions you most need to answer for your own sanity for your investors your customers your employees even those closest to you Contained are tools and activities to help you **Exit Path: How to Win the Startup End Game** Touraj Parang, 2022-08-02 An exit strategy if implemented early is the surprising secret to ultimate startup success Find out why and how to develop one in this comprehensive practical guide from veteran Silicon Valley dealmaker Touraj Parang In 2008 Touraj Parang's award winning startup Jaxtr had 10 million users raised nearly 20 million from top tier Silicon Valley investors and seemed poised to sail straight through the Great Recession But by January of 2009 Jaxtr's only hope for survival was to find a buyer sadly it was too late for that In Exit Path

Touraj draws on the lessons learned from that chaotic experience and the extraordinary successes that followed once he and the entrepreneurs he advises made creating and executing an exit strategy a top priority. For too long entrepreneurs have been failing to establish the requisite relationships and properly prepare for the most important milestone in their life cycle: a sale to an acquirer. But in today's hyper-competitive and interconnected business world, that is no longer an option. In this first of its kind comprehensive guide, you'll discover the surprising reasons few startups succeed while many fail, and you'll learn that implementing an exit strategy early will empower you to take charge of your startup's ultimate fate, maximizing its potential for success while mitigating the risks of failure. Arranged in four sequential parts, *Exit Path* walks you through actionable steps to devise and execute an effective exit strategy, starting with a fresh new perspective on the critical importance of creating a viable sale option for your startup. You'll learn why creating your exit strategy is necessary well before you're contemplating an exit, regardless of the stage of your startup. You'll also discover how to create your own exit plan, how to make your plan a reality through personal and business relationships, and how to approach and negotiate with acquirers for an outcome best aligned with your values and ambitions should the need arise. Whether you are an entrepreneur, investor, or advisor, the expert advice and insights in *Exit Path* will inspire you to take charge of your startup's destiny and unlock its strategic potential and options over time.

**Sales Enablement** Byron Matthews, Tamara

Schenk, 2018-05-01 Put buyer experience and selling resources front and center to boost revenue. *Sales Enablement* is the essential guide to boosting revenue through smarter selling. A thorough practical introduction to sales enablement best practices, this book provides step-by-step approaches for implementation alongside expert advice. In clarifying the sales enablement space and defining its practices, this invaluable guidance covers training content and coaching using a holistic approach that ensures optimal implementation with measureable results. Case studies show how enablement is used effectively in real-world companies and highlight the essential steps leaders must take to achieve their desired sales results. Smarter buyers require smarter selling, and organizations who have implemented enablement programs attain revenue goals at a rate more than eight percent higher than those that do not. This book provides a 101 guide to sales enablement for any sales professional wanting to enhance sales and boost revenue in an era of consumer choice. Understand sales enablement and what it can do for your company. Implement enablement using techniques that ensure sustainable, measureable performance impact. Adopt proven best practices through step-by-step advice from experts. Examine case studies that illustrate successful implementation and the impact of sales enablement on revenue. Consumers are smarter, more connected, and more educated than ever before. Traditional sales strategies are falling by the wayside, becoming increasingly less effective amidst the current economic landscape. Companies who thrive in this sort of climate know how to speak to the customer in their own terms, and sales enablement keeps the customer front and center by providing sales people with the resources buyers want. *Sales Enablement* provides a scalable sales boosting framework with proven results.
