Primer Post Apocalyptic Story:

Shadowboxing the Apocalypse: The WW1 Correspondence of Dr. Theo Hascall, 103rd F.A. 26th Yankee Division Shawn Pease, 2018-07-31 Shadowboxing the Apocalypse the WW1 correspondence of Dr Theo Hascall 103rd Field Artillery 26th Yankee Division contains fascinating letters sent home from the trenches in The Great War to East Providence Riverside RI It also contains the text of all the letters sent by his wife Emma to Dr Hascall in France during the Great War It is a fascinating story of a young couple with three children all under the age of 10 making sacrifices for their country surviving the Great War and weathering the Influenza pandemic in 1918 Their story is told in their own words with over 150 fully transcribed letters arranged by date The book is divided into chapters corresponding to the major sectors the Yankee Division fought in during the war Dr Hascall self censored his letters so many normally forbidden remarks are made Dr Hascall also carried a small camera and many of his pictures are published in this book for the first time anywhere **Science Fiction, Fantasy, and Politics** Dan Hassler-Forest, 2016-07-21 From Tolkien to Star Trek from Game of Thrones to Battlestar Galactica and from The Walking Dead to Janelle Mon e s Afrofuturist concept albums transmedia world building offers us complex and immersive environments beyond capitalism This book examines the ways in which these popular storyworlds offer tools for anticapitalist theory and practice Building on Hardt and Negri s theory of global capitalism Science Fiction Fantasy and Politics shows how transmedia world building has the potential of offering more than a momentary escape from capitalist realism in the age of media convergence and participatory culture The book features eight fantastic storyworlds that offer vivid illustrations of global capitalism s contradictory logic Approaching transmedia world building both as a cultural form and as a political economy it demonstrates the limitations inherent in fandom and fan culture which is increasingly absorbed as a form of immaterial labor But at the same time the book also explores the productive ways in which fantastic storyworlds contain a radical energy that can give us new ways of thinking about politics popular culture and anticapitalism **Indie Science Fiction Cinema Today** Kathleen Fernandez-Vander Kaay, Chris Vander Kaay, 2018-02-13 Much of 20th century science fiction foretold technological and social developments beyond the year 2000 Since then a key theme has been what happens when the future no one anticipated arrives faster than anyone expected Focusing on 21st century independent science fiction films the author describes a seismic shift in subject matter as society moves into a new technological age Independent films since the millennium are more daring incisive and even plausible in their depiction of possible futures than blockbuster films of the same period Twenty one chapters break down today s subgenres featuring interviews with the filmmakers who created them **Richard Matheson's Monsters** June M. Pulliam, Anthony J. Fonseca, 2016-02-02 Richard Matheson was one of the leading writers of science fiction fantasy and horror in the twentieth century Matheson s most famous early works the novels I Am Legend 1954 and The Shrinking Man 1956 both depict traditionally masculine figures thrust into extraordinary situations Other thought provoking novels including Hell House 1971 Bid Time Return 1975 and

What Dreams May Come 1978 as well as short stories and screenplays convey the ambiguous status of masculinity how men should behave vis vis women and what role they should occupy in the family dynamic and in society at large In Richard Matheson s *Monsters* Gender in the Stories Scripts Novels and *Twilight Zone* Episodes June M Pulliam and Anthony J Fonseca examine how this groundbreaking author s writings shed light on society s ever shifting attitudes on masculinity and domesticity In this first full length critical study of Matheson s entire literary output the authors discuss how *I Am Legend* *The Shrinking Man* and other works question traditional male roles The authors examine how Matheson s scripts for *The Twilight Zone* represented changing expectations in male behavior with the onset of the sexual and feminist revolutions industrialization and globalization and other issues In a society where gender roles are questioned every day Matheson s work is more relevant than ever Richard Matheson s *Monsters* will be of interest to scholars of literature film and television as well those interested in gender and masculinity studies *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1896 [Publishers' circular and booksellers' record](#) ,1870 **The Publishers'**
