Urban Fantasy Academy Primer:

Rise of Rebellion Madeline Freeman, 2022-02-21 Everyone thinks we're dead But the guilty party is not who it appears One night changed our entire world and no one knows how to set things right I'm not even sure what that is anymore Set amid opposing factions the Keepers must provide unity and leadership but it's hard to steer when you can't see the road ahead The only thing for certain is doing nothing isn't an option With each passing day it's clear the demons aren't the only ones who will suffer under the new chancellor's rule My fight is bigger than me and my people If we're going to save the kids I need to unite all the different ethereals Easier said than done My name is Eden Everdell and if I can't rise to meet this challenge our rebellion has already lost
