## Complete Workbook Mental Health Recovery:

**Better Days - A Mental Health Recovery Workbook** Craig Lewis, 2014-06-10 This book helps those aspiring toward recovery and wellness and also those in recovery because it addresses and challenges the individual in very real basic and honest ways to make significant cognitive adjustments in how they live their lives. The beauty of this curriculum is that people like to do it and don't consider it a chore a demand or a requirement because every page subtly encourages the individual to think in realistic and forward moving ways. This allows them to feel good about doing the work. This book is for any person who struggles with their mental health and who wants to live a happier life as well as for any person who wants to improve their quality of life how they deal with stress obstacles difficulties and other people and live a happier healthy and much more stable life. I based this book on my personal life and recovery and every page has been used successfully in peer group settings. [My Recovery Workbook for Beginning the Practice of Mental Health Recovery Self](#) Laura Dreuth

Zeman, 2017-10-18 This workbook provides self care tools for persons who live with challenges related to mental illness. This workbook will help you to identify symptoms of mental illness practice techniques that may help manage symptoms and identify services that support RECOVERY. The author organized proven self care techniques using the acrostic R E C O V E R Y. The units are REALIZE EDUCATE CONNECT OWN VERIFY EVALUATE RENEW and YOU. Each unit contains a brief summary of the related research findings. The summaries can help you understand what you could expect to benefit from applying the techniques to your RECOVERY.

[Better Days](#) Craig Lewis Cps, 2024-05-23 This book helps those aspiring toward recovery and also those in recovery because it addresses and challenges the individual in very real basic and honest ways to make significant cognitive adjustments in how they live their lives. The beauty of this curriculum is that people like to do it and don't consider it a chore a demand or a requirement because every page subtly encourages the individual to think in realistic and forward moving ways. This allows them to feel good about doing the work. I based this book on my personal life and recovery and every page has been used successfully in peer group settings.

Although the journey of recovery unfolds differently for each person exploring and sharing experiences and coping strategies can help people know they are not alone. Better Days A Mental Health Recovery Workbook provides a structure for someone to sort through what they do for themselves now and what new ways they might care for themselves. The optimistic and hopeful messages that serve as the introduction to each section can be used equally well in a group or individually for reflecting on life on challenges and on the meaning and process of recovery. While not yet widely used Better Days holds promise as a useful tool for people in recovery. Patricia B Nemec PsyD CRC CPRP I believe that what Craig Lewis offers with Better Days A Mental Health Recovery Workbook is an indispensable tool for those seeking real recovery. Craig comes from the place of first hand knowledge of how it feels to go through the suffering and also how it feels to break through to the other side and feel the joy of life in the midst of all its challenges. As someone who has worked in the field for many years I have a deep appreciation of the way that Craig

cuts through to the immediate needs of the person trying to change Craig provides a simple but elegant template for healing I am proud to call Craig colleague friend and fellow traveler on the recovery path Stephen Dansiger PsyD MFT Chief Clinical Director BLVD Centers Founder and Publisher StartAgain Craig Lewis had written the Better Days Recovery Workbook to help his fellow peers in their recovery from mental health struggles and addictions I have been privileged to have met Craig years ago and know of the great work he did running the Better Days support groups at the Boston Resource Center an organization that I co founded We all have had times in our lives when we have felt down or depressed This workbook is something that one can pick up and immediately find something of interest that will raise one's spirits This workbook is also excellent for people who are leading support or other peer groups Howard D Trachtman BS CPS CPRP Metro Boston Recovery Learning Community and Southeast Recovery Learning Community Leadership Team and Director of Constituent Affairs Craig's workbook shares his heart felt experiences of his journey in recovery I taught a class using this workbook to a group of people in recovery at the B U Center for Psychiatric Rehabilitation Education Program and it was warmly accepted The group felt inspired in their own recovery as a result of using this workbook The Better Days Workbook should be an essential part of any recovery program Leonard Mulcahy BA CPT CPRP CPS Fitness Coordinator Boston University Center for Psychiatric Rehabilitation
