The Self-Help Book B.J. Jeremy, 2013-11-20 A one of a kind work The Self Help Book is the ultimate spiritual personal development and personal growth guide to finding your true self. It is a unique book of secrets that gives simple steps to help achieve the things we hope for by simply changing the way we think. This work provides many of the secrets that can help one lead a life filled with the many things that we aspire to achieve by addressing areas such as love, happiness, overall well-being, success, confidence, and much more. In The Self Help Book, B.J. Jeremy, author of several best selling self help books for women, men, and teenagers, speaks of the power of self. He explains that everyone has the power to unlock the secrets of true self love. He also addresses all aspects of life by asking the question How can we help ourselves to lead better lives? This work explains that regardless of our current state, it is possible to find the things we think are elusive simply by knowing ourselves on a much deeper level, a greater self knowledge and consciousness. Thus we are in a better position to help ourselves and achieve the great potentials we all have. Chapters and topics of discussion include: A New Beginning, Finding Your Purpose, How to Love Yourself, The Secret of Success, Good vs Evil, Awaken Your Confidence, How to Build Self Esteem, How to Achieve True Happiness, Accepting and Trusting Yourself, The Definition of Success, Achieving True Self Love, The Standard of Beauty, and much more. Enlightening, insightful, and empowering, The Self Help Book will ultimately put you on the path to taking charge of your destiny as it encompasses and speaks of all the important areas of life that can help lead to a fruitful and balanced existence. This work is for teenagers and adults. Simply, it is for people of all ages because it contains inspirational words that can help everyone. This work is bound to change the way you think about life. For all who seek a guide for spiritual and personal growth, The Self Help Book is truly a must read.

How to Build Lasting and Effective Relationships Digital World, 2024-03-03 Dale Carnegie's book How to Win Friends and Influence People is one of the most popular self help books in the world. First published in 1936, it has sold millions of copies worldwide and is considered one of the most influential works of the 20th century. However, although many people have been inspired and influenced by Carnegie's book, the thesis of this e-book is that the method he proposes can have negative consequences on your interpersonal relationships. In this book, we will examine each of the principles presented by Carnegie and critically analyze how they can be applied in real life. We will argue that, although some of the ideas presented in the book may have some value, many of them are simplistic and ignore the complexity of human relationships. Rather than blindly following Carnegie's method, we advocate the importance of a more holistic and empathetic approach in our interactions with others. We believe it is essential to recognize the diversity of individual perspectives and needs and develop healthy, respectful human relationships based on mutual understanding and genuine dialogue. Throughout this e-book, we hope to provide an alternative perspective to Carnegie's method and encourage readers to question their assumptions about what it means to win friends and influence people.

Rhetoric of the Protestant Sermon in America Jonathan J. Edwards, Eric C. Miller, 2020-01-20 In Rhetoric of the Protestant Sermon in America Pulpit

Discourse at the Turn of the Millennium ten scholars analyze notable sermons from the fifty year span between 1965 and 2015 during which the Protestant sermon has undergone significant change in the United States Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments evidences and rhetorical strategies employed by contemporary preachers Because religious practice is inextricably tangled in the culture politics and economy of its historical situation the public expression of a faith is certain to move with the times In their treatment of race sex gender class and citizenship sermons apply ancient texts to current events and controversies often to revealing effect This collection thoughtfully edited by Eric C Miller and Jonathan J Edwards demonstrates how the genre of the Protestant sermon has evolved or resisted evolution across the years Scholars of religion rhetoric communication sociology and cultural studies will find this book particularly useful
