seem insurmountable With each new book a new heroine is interwoven into the story The series sequence leads through five books up to a happily ever after ending The series is clean romance and is suitable for teens and up Readers have the option to read each tale one by one or to get the complete set which contains all five tales As fairy tales are so integral to so many young lives it was critical for me to do my very best to present each heroine in a way which honored her strength and showcased her ability to stand on her own It took me over five years to craft this series I feel strongly that no woman should ever sit around waiting for a man to rescue them Women should not endure abusive behavior in the hopes that a man will change or magically become a prince Be the change you wish to see in the world I have a library of over 450 books running the gamut from medieval romance to cozy mystery from mythology to fairy tale to Biblical retellings I support battered women s shelters Feel free to contact me with any questions *Folktales and Fairy Tales* Anne E.
