Rosemond,2013-10-15 Parenting book based on biblical principles with concrete suggestions on how to better raise children developing self respect rather than self esteem Provided by publisher **Resources in Education** ,1998 **Simplified Parenting Blueprint** Dr. Kishore Sastha Ram V,2023-04-21 Every parent is a child in the past similarly every child will be a parent in the future Evolution of humanity involves trial and error in the way of living The social intelligence and communal camaraderie insights teaches us to understand the flaws in parenting patterns influences and ill effects affecting the child in his her growing years In this millennial era of technological overload there is an urgent need for learning the art of child rearing myths and misconceptions in the way the previous generation has parented their children Then it is easier for the parents to pursue their children to unfold their true potential at the right time for their best future Thus the author throws light on transformation of parenting across the globe and simple tips to handle for best outcomes *Handbook of Parenting* Marc H. Bornstein,1995 *The Complete Lesbian and Gay Parenting Guide* Arlene Istar Lev,2004-11-02 Gay parenting is a productive and positive decision but author and lesbian mother Arlene Lev admits it isn t always an easy one With practical wisdom and advice and personal real life stories Lev prepares gay parents for this endeavor with everything they need to know and everything they can expect while making their own significant and challenging mark on family life in the 21st century **The Myth of Good Christian Parenting** Marissa Franks Burt,Kelsey Kramer McGinnis,2025-10-14 Christian parents want to raise their kids in a godly way But what if families have been sold promises that biblical parenting can never deliver Christian parents want to raise godly children but what happens when popular biblical parenting methods cause more harm than good *The Myth of Good Christian Parenting* exposes how the Christian parenting industry has sold families false promises for five decades leaving a trail of religious trauma damaged relationships and lost faith in its wake This groundbreaking analysis offers historical analysis traces the development of the Christian parenting industry and its influential figures who built parenting empires research based insights features survey data from adult children and parents affected by authoritarian parenting methods theological examination analyzes how popular teachings on authority compliance corporal punishment and control diverge from Jesus s teachings and encouragement for a better future equips

readers to pursue a new path of freedom and mutual respect within their families Marissa Franks Burt and Kelsey Kramer McGinnis combine rigorous research with compelling storytelling to reveal how evangelical parenting culture has shaped and often strained families from the 1970s to today Drawing on history sociology theology and extensive survey responses from adult children and parents they trace the rise of Christian parenting empires that idealize obedient children and perfect households while leaving real families feeling inadequate They also examine the lasting damage caused by popular Christian parenting teachings including loss of faith estrangement religious trauma and deep regret for older parents and provide hope for healing Whether you re a Christian parent questioning traditional methods an adult recovering from a strict religious upbringing or a church leader seeking healthier family ministry approaches this book equips you to pursue mutual respect emotional safety and authentic faith within your family relationships

Why Are You Still Sending Your Kids to School?

Blake Boles,2020-05-19 For some kids school offers a positive and engaging experience For others it s a boring stressful and frustrating waste of time If your child is in the second category why keep tormenting them Instead why not help them find an educational environment where they feel genuinely motivated excited and empowered In this eye opening book Blake Boles makes the case for leaving conventional school and taking one of the many alternative paths through K 12 that exist today He addresses parents major concerns about unconventional education Can my kids still go to college Will they still be employable How will they learn to work hard while highlighting the hidden benefits of self directed learning such as improved parent child relationships a more balanced decision making process regarding college and a heightened sense of autonomy and connection Drawing upon 15 years of work as a mentor and guide for adolescents in alternative and experiential learning environments as well as his own unconventional life path Boles weaves together narrative theory and research to build a powerful argument for granting children unusual levels of freedom and responsibility
