Möbius Media Jeffrey A. Tolbert, Michael Dylan Foster, 2024-07-15 Möbius Media explores the interplay of popular and traditional cultures reminding readers that expressive cultural forms are never mutually exclusive but exist in a state of creative tension and interconnection merging and redefining one another. With this insightful volume editors Jeffrey Tolbert and Michael Dylan Foster build on their earlier work *The Folkloresque* by considering how folklore is understood and mobilized within a variety of popular discourses and commercial marketplaces. The collection challenges readers to consider the stakes of labeling something as folklore or folk. It demonstrates the rhetorical and political potency of ideas such as traditionality heritage and community in storytelling venues including films games and even podcasts in the construction and policing of genres and in the selling of commodities. By interrogating popular media and expressions that make use of ideas

such as folklore tradition authenticity and heritage M bius Media further develops the theoretical applicability of the folkloresque concept and encourages productive interdisciplinary dialogue Through the lens of the folkloresque scholars can better see the hidden ideologies that inform the marketplace and influence contemporary modes of communication This interdisciplinary work will appeal to scholars and students of cultural studies media studies popular culture literature anthropology and related areas

seem real and I loved how we got to know them I recommended this book to a group of 7 friends because I really do just love it and think they'd like it too. It's a beautiful story. The amount of details just adds more life to it. I have read many other authors' books but this story and series has attracted me like none other. The amount of suspense, anticipation, love, and hate just encourages me to read the story again and again. Every detail just increases a reader's love for the story. I really like the story, how the characters developed, and how the story progressed. I have read her other books and I can say that she's a terrific author and I can't wait for her future books. Fantastic story by a great author. Love reading her books and enjoy how she brings the characters to life. I absolutely love this book. I have read many werewolf books but this book has a completely different take and it is written exceptionally well. I would recommend this book to anyone that enjoys a good read. The suspense is perfect. The chemistry between them is off the charts and they haven't even properly bonded yet. They both are driven which makes dynamics of their soon-to-be relationship interesting. Who will bend and how will they make it work. So far this book has captured my imagination right from the first chapter. Great writing. Thank you. I have no doubt that with your writing talents you shall be an established author in no time. I can vividly picture the story in my mind. The author is truly talented at bringing the characters, setting, and scenes to life. I'm aroused and excited at every chapter even in waiting. This story just began and I'm already craving it like a drug. I'm even writing a review when it is something that I NEVER do. Before reading you just need to know that it is dark so if it is something you don't like this story is not for you. But if you could care less and you love romance, hot werewolf dominant men and strong women, this story is just for you. The plot is marvelous and for those like me who read thousand of werewolf's stories, its originality is like fresh wind. This story is far from the cliche werewolf stories out there. I've only read the first few but it has me hooked. The writer is so descriptive that I can picture everything in my mind. This story is a must read for anyone who loves a little mystery with their romance. Really, really reeeeeeeeal great story. It's definitely a 10/10.
