# Oceans Hillsong Lead Sheet

**Tanya Riches, Tom Wagner**

## Oceans Hillsong Lead Sheet:

**The Hillsong Movement Examined** Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential visible and in some circles controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

### **The Routledge Handbook of**

**Megachurches** Afe Adogame, Chad M. Bauman, Damaris Parsitau, Jeaney Yip, 2024-05-07 The Routledge Handbook of Megachurches provides a survey of global megachurch phenomena with an international slate of authors introducing existing and emerging research on a wide variety of relevant topics. Over the past decade, the field of megachurch studies has matured and become global in its scope and orientation. The Handbook offers 33 chapters by top scholars in the field, focusing in particular on the location, demographic nature, and transnational connections of megachurches. Megachurch worship, hermeneutics, and theology in theory and practice, Megachurch institutional dynamics, The various ways that megachurches have both influenced and been influenced by their social contexts in terms of class, age, gender, sexuality, and pop culture. The Handbook's interdisciplinary orientation makes it essential reading for sociologists, political scientists, anthropologists, media specialists, pop culture observers, business strategists, leadership consultants, marketing analysts, scholars of religion, and Christian historians, theologians, and missiologists. Experienced scholars of megachurches will gain valuable insight into aspects of megachurch research beyond their own specializations. Scholars new to the field will find the chapters useful as signposts for where to begin their own academic exploration. Christian pastors and laypeople will learn more about this increasingly prominent and influential form of their faith.

### *Oceans (Where Feet May Fail)*, 2016-09

Bryan Sharpe provides a unique a cappella setting of the popular worship song. Equally effective with one singer on a part or with full choir and utilizing an emerging trend of vocal techniques, this inventive arrangement maintains and builds upon the power and emotion of the original version.

### *Oceans*, 2017-03

Ron Mallory created this outstanding setting of UNITED's popular contemporary Christian song *Oceans*. Dotted eighth sixteenth and syncopated rhythms predominate the melody and the piece incorporates LVs, tower swings, mallets, and chimes to great effect.
