constructed reality shatters. The police have a suspect and all the evidence points to one person: her. This is no random act of violence. It's a murder mystery wrapped in a sophisticated frame-up: a conspiracy designed with the same cold precision as the skyscrapers she builds. As the city's deep-seated urban corruption closes in, Aurelia is plunged into a paranoid manhunt where she is both the quarry and the lead investigator. Her only ally is the one man she swore she'd never see again: Cassian Valerius, a hardened detective and the ghost of a forbidden romance she buried a decade ago. Together they descend into a noir underworld of corporate espionage and high-stakes money laundering, a place where every blueprint hides a lie. To clear her name, Aurelia must confront the grief and OCD that have defined her existence, relying on the man who represents the very chaos she fears. Their rekindled connection, a fragile second chance romance forged in desperation, becomes both her greatest strength and her most dangerous liability. As they become fugitives pursued by a system built on lies and powered by systemic corruption, the power dynamics shift with every revelation. The key to her innocence is locked behind military-grade data encryption and the password is a hidden clue buried in a shared memory of betrayal and love. This gripping psychological thriller is a character-driven journey into a world of moral ambiguity where the line between justice and vengeance blurs. Can a woman who lives by the rules survive by breaking them all? And in a city where truth is the most expensive commodity, will her search for redemption cost her more than just her freedom?

From the gripping short story that captivated readers, *The Soulmate* by Sally Hepworth, 2023-04-04. One of the best thrillers of the year, *The New York Times*.

The book is many things: a crime story, a psychological study, a blueprint for how and when to mete out information in a thriller. But most of all, it is an inquiry into the mysteries of marriage and commitment, and into what we owe our spouses and one another. *The New York Times Book Review* Prepare yourself for a thrilling, addictive novel about marriage, betrayal, and the secrets that push us to the edge in this next book from the bestselling author of *The Good Sister* and *The Younger Wife*. Picture a lovely cottage on a cliff with sloping lawns, walking paths, and beautiful flowers. It's Gabe and Pippa Gerard's dream home in a sleepy coastal town. But their perfect house hides something sinister. The tall cliffs have become a popular spot for people to end their lives. Over the past several months, Gabe comes to their rescue, literally talking them off the ledge. Until one day, he doesn't. When Pippa discovers Gabe knew the victim, the questions spiral: Did the victim jump? Was she pushed? And would Gabe, the love of Pippa's life, her soulmate, lie? As the perfect facade of their marriage begins to crack, the deepest and darkest secrets begin to unravel. Because sometimes, the most convincing lies are the ones we tell ourselves.
