Creative Mental Health Recovery Robert Hurst, Andrew Joyce, Jerome Carson, 2024-11-12 This book presents the importance of the role of creativity particularly everyday creativity in the lives of people on a mental health recovery journey Through a review of historical and contemporary literature and research findings on the topic the book starts by giving readers an idea of the state of play of conceptualisations of both creativity and recovery The authors arrive at and present their own definitions of these concepts using autoethnography to bring their own experiences into the text They then illustrate to the reader what creativity in recovery looks like in practice through interviews with and written accounts from

creative individuals who have experienced a mental health recovery journey grounding the theory with tangible stories of application The interviews are analysed with themes picked out and a model of creativity and recovery produced by the authors Implications and possible future directions are then discussed This unique presentation of creative recovery will be of interest to a wide range of mental health professionals specifically those studying or practising mental health recovery and creative therapies A Comprehensive Guide To: Counseling Psychology Dr. Mohammad Faizee, Professor Akbar Husain,
