

- **Modifications:** pair students to have peer assistance if needed. Depending on their EEP stipulations sample one to two step directions, proximity seating, support in their native language (Spanish), shortened assignments, provide visuals for ESL support as needed.
- **Reteaching:** have students show their understanding to see who has misconceptions to be clarified. Adjust teaching depending on student needs.
- **Advanced:** have students design their own rock and explain using a video or poster to show their understanding, use Flipgrid as well if desired. Gradual release needed to promote independent learners and use of critical thinking skills.
- **I do (Teacher modeling):** Teacher introduces concepts and/or vocabulary and clears misconceptions.
- **We do (Guided practice):** Check for understanding; students work with their group for additional support.
- **You do (Independent practice):** Students work individually on their flip grid.

Closure: Have gallery walk for posters and/or watch other students' Flipgrid accounts to share with the class and review concepts from this lesson.
