Expert award winning advice on creating a self directed job search understanding interviewing basics and creating impressive cover and follow up letters **How To Write Amazing Cover Letters** The Hyperink Team, 2012-02-12

ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn't until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important as a resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if

you ve spent 30 years in the work force or are just entering it the fact remains that you need to learn to how convince someone else to interview you MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don t hesitate to contact us Happy reading EXCERPT FROM THE BOOK You ve probably figured out a few mistakes to avoid already but you d probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don t bother to spell check before sending out the cover letter and resume It s always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don t know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it s common for applicants to use their cover letters to show they ve learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won t make an impression on the reader Don t just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren t meant as a tool to repeat everything that s in your resume It s a tool to build on it and an opportunity to correlate your experience with the job you re applying for Include any training classes awards and recognition you ve received in the past that might give you an edge over the competition Buy a copy to keep reading **201 Killer Cover Letters** Sandra Podesta,Andrea Paxton,1996 On disk and at your fingertips 201 easy to customize cover letter that will get read get remembered and get results Thanks to this book and this disk you ll never again have to struggle over composing the kind of killer cover letter that grabs the attention of prospective employers and lands interviews You ll be able to effortlessly produce the appropriate letter you need for any job opening in any company in any situation You ll have a huge edge over thousands of other job seekers from people who write weak and disorganized letters to people who send standardized form letters and those who fail to include cover letters at all not knowing that cover letters are as important as resumes Whatever your field whatever your background and skills this library of great cover letters on disk will make it easy for you to play up your strengths downplay your weaknesses and stand out from the crowd Included are cover letters for every occasion such as The Search Letter The Ad Response Resume Cover Letter The Networking Letter The Follow Up Letter The Thank You Letter The Make Something Happen Letter The Reference Request Letter You ll learn the secrets of killer openings and closings the ten top rules for writing great cover letters how to respond to salary queries words and phrases to avoid how to jump start a stalled candidacy and much more
