### **Raising Resilient Kids** Harper

Northwood, 2024-09-05 In a world where digital technology is seamlessly woven into the fabric of daily life, our children are more connected than ever before. But with these connections come new challenges ones that many parents find difficult to navigate. *Raising Resilient Kids: Parenting Strategies for the Digital Age* by Harper Northwood delves into the complexities of parenting in this digital era where screens often compete with real-world experiences for our children's attention. Northwood explores the mismatch hypothesis, a concept that explains why the allure of the virtual world can sometimes overshadow the joys and necessities of the physical one. By highlighting the potential mental health risks associated with excessive digital engagement, this book serves as both a warning and a guide. Through insightful analysis and practical strategies, Northwood equips parents with the tools they need to help their children thrive in both the digital and real worlds. This essential guide is for any parent concerned about the impact of digital technology on their child's well-being. Discover how to foster resilience in your children and ensure they are well prepared to face the challenges of the digital age.
