10 Easy Writing Lessons That Get Kids Ready for Writing Assessments Mary Rose,1999 Shows you how to teach students to write well Paragraph Power Adele Fiderer,2002-04 Best selling author Adele Fiderer presents a series of mini lessons to help students move from writing single paragraphs to crafting mutli paragraph pieces Each mini lesson introduces an important element of good paragraph writing such as crafting topic and body sentences that pack a punch writing smooth transitions and paragraphing dialogue Includes super student models gathered from the author s long career as a classroom teacher **15 Easy Lessons That Build Basic Writing Skills in Grades K-2** Mary Rose,2002 Put your students on the road to success with these easy lessons that build basic writing skills and get kids ready for the standardized tests These hands on activities teach punctuation capitalization sequencing and much more Students learn about periods by mini stop signs at the end of sentences in the morning message identify main idea by brainstorming titles to stories and use graphic organizers to plan their own stories **Visual Writing** Alex Baratta,2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education there is a need for students to develop their skills in this area However it is often the case that students perceive instruction in academic writing if it is offered at all as boring This book addresses these two issues First the book can be used by students themselves even in the absence of academic writing classes as a self help guide from which they can develop their knowledge of academic writing and subsequent proficiency Second by discussing the components of academic writing in terms such as film which are familiar to today s generation students are enabled to relate to the material better and see what might have been perceived as dull from a brand new perspective Visual learners in particular will enjoy the analogous link between films and essays and students today are arguably more visually literate than previous generations being exposed to visuals on a daily basis through text message iconography computer games and the Internet The visual instruction provided in turn helps to facilitate mental visuals in students minds from which their knowledge of essay writing can start to develop Teaching Arguments Jennifer Fletcher,2015 No matter wherestudents lives lead after graduation one of the most essential tools we can teach them is how to comprehend analyze and respond to arguments Students need to know how writers and speakers choices are shaped by elements of the rhetorical situation including audience occasion and purpose In *Teaching Arguments* Rhetorical Comprehension Critique and Response Jennifer Fletcher provides teachers with engaging classroom activities writing prompts graphic organizers and student samples to help students at all levels read write listen speak and think rhetorically Fletcher believes that with appropriate scaffolding and encouragement all students can learn a rhetorical approach to argument and gain access to rigorous academic content *Teaching Arguments* opens the door and helps them pay closer attention to the acts of meaning around them to notice persuasive strategies that might not be apparent at first glance When we analyze and develop arguments we have to consider more than just the printed words on the page We have to evaluate

multiple perspectives the tension between belief and doubt the interplay of reason character and emotion the dynamics of occasion audience and purpose and how our own identities shape what we read and write Rhetoric teaches us how to do these things Teaching Arguments will help students learn to move beyond a superficial response to texts so they can analyze and craft sophisticated persuasive arguments a major cornerstone for being not just college and career ready but ready for the challenges of the world

Street Kids Marlene Webber,1991-01-01 In cities across North America teenage runaways are struggling to stay alive Some don't make it to adulthood Some do but their lives rarely rise above the despair that brought them to the streets in the first place A few manage to beat the street to get their lives back on track In this disturbing account Marlene Webber draws on extensive interviews with these kids to explore the realities of street life its attraction and its consequences Street kids like to project an image of themselves as free wheeling rebels who relish life on the wild side All brashness and bombast they strut around inner cities panhandling posturing and prostituting themselves Labelled society's bad boys and girls they often live up to their image But as sixteen year old Eugene tells us the street forces bravado on homeless adolescents but underneath a lot of kids are plenty scared Eugene is only one of many street kids who talked to Webber in major cities across Canada She lets her subjects tell their own stories their voices are sometimes brave sometimes bitter often heartbreaking Webber cuts a comprehensible path through the tangle of forces including family breakdown and social service failure that accelerate the tragedy of Canada's runaways She suggests measures that might help more of them beat the streets
