

## English Teacher Recommendation Letter

The Reverend Father James Moore, O.F.M.

Parish Priest

St. Peter Church

September 10, 200X

The Reverend Father Moore,

I am writing this recommendation in support of Mary Loc kwood who is applying for a Student Catechist Volunteer in your parish this summer.

Mary has been my student at Clare Middle School. She was under my supervision being her academic adviser and teacher in English and History. I would say that in the three years that I have known Mary,

she had shown encouraging and very positive attitude. Her academic performance is very exemplary and Mary has always been in the list of student tutors to assist students.

The qualities that will prove an advantage for Mary to be a Student Catechist is her love for children and her yearning to share her passion on the Catholic faith. To further vouch for her capabilities and dedication, Mary has always made herself available on community outreach and volunteer programs, and her yearning to share her passion on the Catholic faith. To further vouch for her capabilities and dedication, Mary has always made herself available on community outreach and volunteer programs. For any further information that you wish me to impart on Mary's character and behavior, please feel free to contact me 01252-448233 or by email at teacher@email.com.

Sincerely,

Kathryn Smith

**From a Foreign English Teacher's Point of View in the People's Republic of China** Danny Teller,2018-10-06 The best way to summarize the main issues is fact finding and it should be inclusive of what people need to know about becoming professional in one of the more challenging environments I took into consideration the paid and voluntary jobs I had in the United Kingdom Israel and Nepal before being invited to the Far East. Creating a career out of nearly nothing is nothing short of a miracle. The Chinese people have in effect allowed me to 1 create or establish a new home 2 create a new career 3 find a soul mate and 4 finally publish what would be my sixth book. Almost no one helped me perform this duty because each foreign teacher has his or her strategies of teaching. I am however truly grateful for my loving wife Yvonne Wu for giving me all the assistance and guidance for making this happen. In view of the ever challenging demands of Chinese students parents and bilingual schools every effort is being made to modify methods to ensure that my classes are as interesting as possible. All my lessons include the use of the modernizing IT equipment including electronic screens. Your enjoyment in reading is my most profound pleasure.
