## Perception The Eve Series Volume 3:

**Enlightened** A. L. Waddington,2024-06-29 Time stands still cause time can't heal The barrier between Jocelyn Timmons consciousness continues to dissolve as she better understands the two lives she lives and enormity of her newly discovered inherited gift of EVE Essence Voyager Era which allows her to fall asleep on one plane of existence and awaken on another as her soul travels nightly Present day Jocelyn uncovers the vast wonderment of the Victorian era but soon learns that life during then was not as grand for women as she has read in the classics Still she finds comfort in the support of family and friends a bolstering contrast to her overly hectic career oriented family in the twenty first century Her love for Jackson Chandler strengthens over time and becomes the light she so desperately needs as the world she has always known no longer makes sense Yet the closer she is drawn to Jackson by their mutual ability the more strain develops amongst those she loves in 2009 On the other side of Jocelyn's consciousness in 1878 she remains ignorant of EVE Her life is crumbling around her yet she finds herself anxiously awaiting the images that invade her dreams Jocelyn longs to be the woman she portrays in that world yet her jealousy is unbearable Miscommunication betrayal and hidden agendas make trust nearly impossible The clearer the visions become the more she questions the motives of her closest confidants and foregoes revealing the images that plague her perception As her life seems to unravel Jocelyn's two worlds collide and she is enlightened as the pieces start to fall into place But is she strong enough to survive the truth Is Jackson really her destiny And can their love transcend time

*Transcendence* A. L. Waddington,2024-06-29 A storm is brewing Several years ago Sidney learned that she like her sister Jocelyn had inherited the gift or curse of EVE the ability to live parallel lives on two separate planes of existence two centuries apart as their soul travels nightly A prospect she has yet to fully embrace Sidney's 21st century life consists of her boyfriend Landon completing medical school and following her mother's footsteps to becoming a doctor She has worked hard and sacrificed much to get where she is and she is proud of all she has accomplished But the actions of her 19th century self threatens to jeopardize it all As the threat of the looming American Civil War darkens her world she is consumed with her limited abilities as a woman Unrest and tension surround her Boston estate as her neighbors speculate what the future holds How can she remain silent in her knowledge when her husband Keifer and all those dear to her will soon be in imminent danger A storm around her is brewing and she feels powerless to stop it     *Essence* A. L. Waddington,2024-06-29 Our minds often wander but can our souls Jocelyn Timmons does not believe she is anything special just an ordinary high school senior living an ordinary life full of schoolwork volleyball and friends She's about to find out how wrong she is Jackson Chandler moved into the house across the street His dark wavy hair green eyes and charismatic personality draw everyone to him Everyone but Jocelyn Whenever Jackson gets near Jocelyn she feels ill and dizzy When he touches her she blacks out and has visions of another life in another time As the odd hallucinations evolve and become clearer she feels a strong pull towards the people she sees there Frightened she watches her once stable life begin to crumble around her and she begins to question

her own sanity Could it be possible that these episodes are actually her own memories of a life she is living somehow somewhere some when Maybe this is time travel or some other paranormal mysticism Our minds often wander but can our souls     Philo, Volume I Philo (of Alexandria.), Ralph Marcus,1929 The philosopher Philo born about 20 BC to a prominent Jewish family in Alexandria was trained in Greek as well as Jewish learning In attempting to reconcile biblical teachings with Greek philosophy he developed ideas that had wide influence on Christian and Jewish religious thought     **The Mechanical Engineer's Pocket-book** William Kent,1910     **Impressionism Reflections and Perceptions** Meyer Schapiro,1997
