6 to 14 letters all of the challenge words of this HARD book have 8 symbols There is also an EASY book with 4 to 5 symbol words and a MEDIUM book with 6 symbols Puzzlers who can solve harder word scrambles may want to begin with the EASY volume to get the hang of unscrambling words in terms of chemical symbols before moving onto MEDIUM or HARD Each puzzle features a challenge word made by rearranging the first symbol of each word A unique feature of this book is that there is a Hints section at the back separate from the Answers section for puzzlers who may be stuck and want to check just the first letter of the solution
