Read the text and answer the questions 1, 2, and 3 :

It's a beautiful spring day. Maria wakes up early feeling happy. She knows that it is a nice day because she can smell the flowers. She can feel the soft warmth of the sun and can hear the birds singing.

Maria cannot see the spring day; she can't see the lovely flowers, or the blue sky. She can't see the new green leaves on the trees. She cannot see the colours because she is visually impaired. She has been visually impaired since birth.

But Maria is happy. She goes to a school where she is learning to read using the Braille. Braille is a kind of script in which the words are written in raised dots. Maria is learning to read by touching the raised dots with her fingers. She loves to go to school. Maria's teacher says that she is a quick learner.

Maria has a dream. She wants to get the highest education from a university. Then she wants to set up a school of her own. She has another dream too. She wants to be a writer. When she grows up she wants to write a book about her feeling and experiences.
