Producing Children Peter C. Kunze, Victoria Ford

Smith, 2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children's culture as culture by adults for children about children They also underscore children's literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites

dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves

Like Megan C. Reynolds, 2025-07-01 A comprehensive and thought provoking investigation into one of the most polarizing words in the English language Few words in the English language are as misunderstood as like Indeed excessive use of this word is a surefire way to make those who pride themselves on propriety both grammatical and otherwise feel compelled to issue correctives But what the detractors of this word fail to understand is its true function and versatility as an exclamation a filler of space a means of subtle emphasis and more Like may have started out as slang but it is now an intrinsic component of fun serious and altogether nurturing communication And like any colloquialism the word endears the speaker to its audience a conversation full of likes feels more casual despite its content In this book culture writer and editor for Dwell magazine Megan C Reynolds takes us through the unique etymology and usage of this oft reviled word highlighting how it is often used to undermine people who are traditionally seen as having less status in society women younger people people from specific subcultures and how if thought about differently it might open up a new way of communication and validation Written in a breezy yet informative and engaging style this is a must read for anyone who considers themselves a grammarian a lover of language and an advocate for the marginalized in discussions of cultural capital power and progress

2019 Rajdeep Sardesai, 2019-11-26 On 23 May 2019 when the results of the general elections were announced Narendra Modi and the BJP led NDA coalition were voted back to power with an overwhelming majority To some the numbers of Modi s victory came as something of a surprise for others the BJP s triumph was a vindication of their belief in the government and its policies Irrespective of one s political standpoint one thing was beyond dispute this was a landmark verdict one that deserved to be reported and analysed with intelligence and without bias Rajdeep Sardesai s new book 2019 How Modi Won India does just that What was it that gave Modi an edge over the opposition for the second time in five years How was the BJP able to trounce its rivals in states that were once Congress bastions What was the core issue in the election a development agenda or national pride As he relives the excitement of the many twists and turns that took place over the last five years culminating in the 2019 election results Rajdeep helps the reader make sense of the contours and characteristics of a rapidly changing India its politics and its newsmakers If the 2014 elections changed India 2019 may well have defined what new India is likely to be all about 2019 How Modi Won India takes a look at that fascinating story which is still

developing "Broken Wings". Bride trafficking literature and the law in China ,2024-06-24 Seminar paper from the year 2022 in the subject Gender Studies grade 1 3 University of Münster Anglistik und Amerikanistik course Gender and Law language English abstract This paper explores the issue of bride trafficking in China focusing on the interplay between literature and the legal system Through an analysis of Jia Pingwa's novel Broken Wings the study examines the social and legal challenges faced by trafficked women in China The text delves into the demographic imbalances and cultural practices that contribute to the prevalence of bride trafficking highlighting the lack of effective legal protections for victims By juxtaposing literary representation with real world incidents such as the viral TikTok video of a chained woman the paper underscores the brutal realities of trafficking and the systemic failures in addressing these crimes The analysis reveals how literature not only reflects but also influences societal attitudes towards gender and trafficking The study critiques the inadequacies in the Chinese legal system advocating for stronger penalties and better enforcement to protect victims Ultimately the paper calls for comprehensive social and legal reforms to address the deep rooted issues of gender inequality and human trafficking
