means to be present to see clearly and to connect with ourselves and each other so that we can make fulfilling choices The  
act of returning to mindfulness should be effortless but persistent default habits can and do get in our way Many people  
successfully practice mindfulness through meditation for stress reduction but once back into daily life the same people

Real World Mindfulness Dr Bahl doesn t just invite us to be more mindful she shows us how She offers a systematic yet  
playful blueprint for integrating mindfulness into our daily routine Each chapter is dedicated to one mindfulness skill and  
includes six exercises to practice and play with during the day so we can replace default habits with mindful habits Eight  
Powerful Skills Her groundbreaking methods help dissolve the gap between meditation and real world mindfulness through  
the following eight skills Awareness when we find ourselves automatically reacting Compassion when we re feeling  
judgmental Curiosity when we re stuck in an echo chamber Mindful energy when it s uncomfortable to change old ways of
