McCarthy, 2008 As adults we often underestimate the value that play has in developing children both physically and mentally. In the first few years of a child's life the brain is growing at a rapid rate and play cannot be overvalued at this time as it allows a child to engage and make sense of the world. *Child's Play* is an activity book filled with play ideas for parents to enjoy with their toddlers from 12 months through to three years of age. Each game offers parents the chance to relish encourage and assist in their child's key developmental stage and all activities are based on sound techniques of early childhood education. They are presented with guidelines and suggestions that progress in terms of difficulty and no specialised knowledge or equipment is necessary. From encouraging your infant to explore the sense of touch and increase their coordination to performing action songs and discovering the garden or local park. *Child's Play* offers children and parents the chance to learn and play together. *Montessori Activity Book* Isabella Hart, 2021-04-22 A spring themed Montessori Activity Book for preschool and kindergarten ages 3-6 full of fun activities and worksheets. Pour aider votre enfant à se familiariser avec l'anglais, notre parcours se construit sur l'utilisation des cartes de nomenclature. Vous trouverez la fin du cahier des cartes à couper et conserver. Nous proposons 20 planches de 9 cartes sur les thèmes de la famille, des vêtements, du corps, de la nourriture, etc. Chaque carte présente au recto une image et au verso le mot anglais et sa traduction en français, qui lui correspondent. Ces cartes seront notamment utilisées sur nos pages imagiers. L'enfant pourra enrichir le vocabulaire avec les莲ons en 3 temps: Listen and touch (grâce aux pistes audio à télécharger sur le site de l'auteur), Touch and say et What is it? Votre enfant pourra investir tous ces nouveaux mots à travers de nombreux jeux, comptines et chansons. Avec un alphabet mobile à couper, des cartes de vocabulaire, des comptines, des chansons et des mots à couper sur le site de l'auteur. **Montessori Reading Workbook** Julia Palmarola, 2019-08-30 A learn to read workbook by the author of the Practical Guide to the Montessori Method at Home. This Montessori practice book includes Work with letters and a clear and straight forward system to learn phonics. Children will learn the shape and sound of each letter just like they would with Montessori sandpaper letters. The book includes 26 alphabet worksheets meant for children to trace letters with their fingers and learn to recognize beginning sounds. Montessori pink series activities children will learn phonetic reading with three part cards and missing letter activities. We will introduce easy to read CVC words with flash cards and games. Montessori blue series activities the book also includes three part cards and activities to learn digraphs present in CCVC and CVCC words and a list of words for children to practice Montessori sight words in flash cards. A paper movable alphabet designed for children to start building their own words. Sentence building we have also included Montessori reading games and cut out words to start writing and reading sentences quickly. This is a learn to read book for kids 3-5 and 5-7. Each age group will use the book in a slightly different way. The first group will be able to work with the help of an adult while the older group can start the Montessori reading series mostly on their own as they will be able to cut, paste and color most of the reading activities by themselves. We have included many Montessori reading tools in this book which you will be able to cut out and laminate if you want to create your own Montessori reading materials on a budget. This reading workbook contains dozens of engaging black and white illustrations to color, cut and paste and it is ideal for families who are using Montessori at home as a reinforcement of school work or as a great homeschooling reading tool and it can even be used as a Montessori reading instruction tool in the classroom as it allows its use by more than one child.

*Montessori at Home Guide* A. M. Sterling, 2016-08-29 In this edition of the Montessori at Home Guide series you the parent or caregiver get 101 practical activities to help your 2-6 year old learn in a Montessori inspired way. 101 Montessori Inspired Activities for Children Ages 2-6 contains A. M. Sterling's favorite activities along with activities submitted for inclusion by well known Montessori bloggers such as Anastasia of Montessori Nature blog, Diane from When Hippos Talk blog and more. This easy to understand guide is created to quickly fill your child's learning environment with activities that help them attain and sharpen these necessary skills: gross and fine motor, cognitive, logic, dexterity, hand/eye coordination and more. These activities also teach practical life skills including self care and care of the environment as well as getting children started in food preparation. For each activity in this book there will soon be released an associated children's story book. Each of the 101 children's story books will be Montessori inspired and illustrated by the same artist who created the cover art for this book, Robert McKinney. The books will be based on the lives of real children, teaching respect for other cultures. They will contain not only real life situations that a child can learn from but the main character in each story will complete an activity from this book to possibly generate interest. We feel that these Montessori inspired children's story books will be an excellent compliment to the resource we hope this activity book can become for you. Montessori learning is gaining popularity across the globe as more and more Montessori schools open. The Montessori at Home Guide series helps you bring this incredibly effective way of learning home as well. You love your children and want to give them the very best. Give them the best learning method to achieve their true potential. Give your children the gift of Montessori.
