FAIRY TALE

Retelling Project

Rewriting a Fairy Tale

Planning Sheet

Before you begin your original writing, you'll need to determine these and create a plan.

1. Which fairy tale will you be retelling?

From whose point-of-view will you be writing (who's the original villain?)

It's important to writing a story forward. Think about characters.

What do you already know about this character?

What information will you add or remove about this character to give a new voice to the story?
