10-Minute Bedtime Stories For Kids Collection Ellie Wilkinson, 2021-02-04. If your child struggles to relax, fall asleep at night, then these fun educational 10-minute bedtime stories could be the solution you need. Welcome to the Bedtime Stories revolution. I have made it my mission to create the bedtime stories revolution to help parents and kids enjoy a deeply relaxing daily bedtime story before sleep. Why I strongly believe in the power of bedtime stories for several reasons: Firstly, bedtime stories help children sleep, which has become an issue for many children and adults in this tech-fueled society. So by installing healthy sleep habits in your child from a young age, you are helping them not only get the healing sleep they need now but also developing habits that will last a lifetime. Put simply, sleep is essential to your child's development. Adequate amounts of sleep lead to improved attention, behavior, learning, memory, quality of life, and mental health. Bedtime stories are about much more than just sleep, though. They allow you and your child to deeply connect at the end of each day, a time your child will cherish, and this alone will get them excited for bedtime. And we haven't even mentioned the endless life lessons that can be portrayed through the power of storytelling, as well as the numerous cognitive, mental, emotional benefits. Regular bedtime stories can bring. Study after study has shown how bedtime stories help improve children's well-being, learning, potential, creativity, child-parent bonding, and can make them far happier than scrolling on their iPad aimlessly while inspiring children to become amazing creators. And this particular book contains only short 10-minute stories, which is perfect for children who struggle to concentrate for long periods and is the PERFECT introduction to reading, listening to stories. Then, after a while, when you both feel your child is ready, you can move onto the longer, more explorative books in the other stories.
