Picture Book For Toddlers Framework:

The Essential Guide to Children's Books and Their Creators , Upon publication Anita Silvey s comprehensive survey of contemporary children s literature Children s Books and Their Creators garnered unanimous praise from librarians educators and specialists interested in the world of writing for children Now The Essential Guide to Children s Books and Their Creators assembles the best of that volume in one handy affordable reference geared specifically to parents educators and students This new volume introduces readers to the wealth of children s literature by focusing on the essentials the best books for children the ones that inform impress and most important excite young readers Updated to include newcomers such as J K Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends this edition features more than 475 entries on the best loved children s authors and illustrators numerous essays on social and historical issues thirty personal glimpses into craft by well known writers illustrators and critics and invaluable reading lists by category The Essential Guide to Children s Books and Their Creators summarizes the canon of contemporary children s literature in a practical guide essential for anyone choosing a book for or working with children *Reading in the Digital Age: Young Children's Experiences with E-books* Ji Eun Kim,Brenna Hassinger-Das,2019-07-23 This edited book focuses on affordances and limitations of e books for early language and literacy features and design of e books for early language and literacy print versus e books in early language and literacy development and uses of and guidelines for how to use e books in school and home literacy practices Uniquely this book includes critical reviews of diverse aspects of e books e g features and e book uses e g independent reading for early literacy as well as multiple examinations of e books in home and school contexts using a variety of research methods and or theoretical frames The studies of children s engagement with diverse types of e books in different social contexts provide readers with a contemporary and comprehensive understanding of this topic Research has demonstrated that ever increasing numbers of children use digital devices as part of their daily routine Yet despite children s frequent use of e books from an early age there is a limited understanding regarding how those e books are actually being used at home and school As more e books become available it is important to examine the educational benefits and limitations of different types of e books for children So far studies on the topic have presented inconsistent findings regarding potential benefits and limitations of e books for early literacy activities e g independent reading shared reading The studies in this book aim to fill such gaps in the literature **The Transformative Potential of LGBTQ+ Children's Picture Books** Jennifer Miller,2022-05-23 2023 CHOICE Outstanding Academic Title In The Transformative Potential of LGBTQ Children s Picture Books Jennifer Miller identifies an archive of over 150 English language children s picture books that explicitly represent LGBTQ identities expressions and issues This archive is then analyzed to explore the evolution of LGBTQ characters and content from the 1970s to the present Miller describes dominant tropes that emerge in the field to analyze historical shifts in representational practices which she suggests parallel larger

sociocultural shifts in the visibility of LGBTQ identities Additionally Miller considers material constraints and possibilities affecting the production distribution and consumption of LGBTQ children s picture books from the 1970s to the present This foundational work defines the field of LGBTQ children s picture books thoroughly yet accessibly In addition to laying the groundwork for further research *The Transformative Potential of LGBTQ Children s Picture Books* presents a reading lens critical optimism used to analyze the transformative potential of LGBTQ children s picture books Many texts remain attached to heteronormative family forms and raced and classed models of success However by considering what these books put into the world as well as problematic aspects of the world reproduced within them Miller argues that LGBTQ children s picture books are an essential world making project and seek to usher in a transformed world as well as a significant historical archive that reflects material and representational shifts in dominant and subcultural understandings of gender and sexuality

Frameworks for Learning & Development Karen Kearns,2010-02-09 Written to support delivery of units in the Diploma of Children s Services this text explores children s development and the skills and philosophies needed to design programs for individual children and groups **WORKING IN CHILDREN S SERVICES SERIES** Each of the books in the award winning Working in Children s Services Series has been written to assist students in attaining the skills and knowledge required to achieve a Children s Services qualification With its easy to read style and engaging full colour presentation this series is an excellent resource for students

Children's Books and Their Creators Anita Silvey,1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations
